Good start to the season with the 1st and 2nd XI's winning convincingly. Very pleasing was the introduction of junior players into senior cricket, there were many players that made their senior debut, with young Declan O'Brien taking 4-17 in the fourth eleven.

English County player, Ed Young made his debut for the club and started well, making 37 and taking a wicket.

The Committee's big emphasis this year was to target sponsorship as a key area into increasing our fundraising activities, and I am delighted to announce that Smartline have signed a gold sponsorship package for the next 3 years, with their logo to be worn on our one day playing tops alongside BGO.

The other outstanding announcement is that we are ready to sign a 3 year platinum deal with Real Estate agents Compton and Green. They will have their logo on our senior two day playing tops. These signings have been a great coup for the club and would like to congratulate Nick "Cougar" Bartol and Haydn Fletcher for their outstanding work in getting these sponsors on board.

BGO has again come on board as sponsor and will have front and centre naming rights on our one day playing top

Please support all our sponsors above. If you, family or friends need a new home loan or want to refinance to save \$\$\$ please see Anthony Stone from Smartline. Buying, Selling or Renting? Adrian Butera from Compton Green will look after the Spotswood Cricket Club Family. For all your accounting and business solutions speak to Lindsay Broadway at BGO.

Last week also saw the tragic passing of a former player, Tony Nancarrow. Tony, a great personal friend of my family for over 40 years, has also been a great supporter of our club over many years. Tony attended working bees such as setting up the turf practise wicket area and helped me on other projects over many years. Tony's company has attended all 5 Presidents lunches to date and he has attended many functions over the years. Tony was familiar to many players around the club. RIP to my great mate "Carrots"

Yours Truly, President John Wheeler.

FROM THE COACHES BOX

The season started well for both the 1st and 2nd XI with each having convincing wins. In the firsts we had a multiple of contributors with both bat and ball, with good time spent at the crease by DB, Ross(57), ED(37) and Josh. With 185 on the board we were confident of restricting Altona North to a lower score. With a couple of early wickets and all bowlers doing their part we were able to squeeze regular dismissals out of the opposition. There was a period of revolt from Altona North, but this was soon ended by great partnership bowling from both Knighta and Tommy. With mounting pressure we were able to close out the game with a good win for round 1.

The Two's also produced some good performances with both ball and bat. With Pat (68) and Nudge (48*) leading the way, our boys amassed a good score of 176. After a committed pre-season, Harry was rewarded with 3 wickets in his debut match. This combined with discipline bowling also from most other bowlers, notably Simon, meant that Altona North was only able to manage 84, giving the twos a great win also.

Unfortunately things did not go to plan for the 3rds and 4ths, but with many unavailable it gave us the opportu-

nity to give many of the juniors valuable experience as well as reward for many of them putting in huge efforts throughout pre-season. This has highlighted the extensive talent we have in the junior ranks giving us an exciting future for the club. Good luck to all for the upcoming weekend.

DICKO

2013/14 SPOTTY DUCK POND

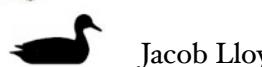

Players batting 1 - 7 require a score over 20 to be removed off this list, batsmen 8 - 11 just need double figures to be removed. (1 duck to be removed per innings)

COUGARS CORNER

After a much hyped up and anticipated start to the season, the bubble has certainly burst for the Cougar. Going out to a super delivery 1st ball, it has not stopped him from releasing the long awaited players edition Cougar 250 cricket bat.

Made from premium English Willow with a superb middle, it is ideal for slow low wickets. The materials are individually selected, tested and fully prepared before the bat is constructed.

With full endorsement from Gloucestershire County player Ed Young, I'm sure the Cougar 250 players edition will get your game back on track.

For Sponsorship details or Guest appearances speak to his manager Ralph Carr

GET ROCK HARD, SHREDDED, STRONGER WITH BODY BY JEEVES

Want a body like mine, follow my 6 step program:

ANDREW BUTLERS FIT BITTIPS

Tip #1: Focus On Lifting More Weight Over Time

TIP #2: Go One Rep Short of Failure

TIP #3: Only Perform Exercises that work at least 2 muscle groups at once.

TIP #4: Fuel your body right before and after the workout

TIP #5: Never go more than two weeks without a change

TIP #6: Remember Rest is Required.

"Stick to the fight when you are hardest hit, it's when things seem worst that you must not quit!"

JEEVES' CRICKET PREPARATION ROUTINE

Thursday night is my 'manscaping night', this involves shaving legs and hair removal cream being applied and sometimes the trimmer.

I specifically do this on Thursdays because if I did it on Fri-

day it may be sensitive playing cricket and could cause friction.

On Sundays I go down to the Williamstown beach in my budgie smugglers to wade in the water to help my recovery. This has been great for my legs.

As far as supplements go I don't do anything out of the ordinary. Everything is WADA, ASADA approved. I buy from a reputable source (Shane Carter)

I love my WHEY protein shakes.

This year I have started Pilates, it has really helped my flexibility. It will make me a better cricketer.

My teeth are not naturally that white, I bleach them.

Tip: Before heading out put your T-shirts in the dryer to make them tighter and do some push ups, (this will make your muscles look bigger).

If you ever get caught doing these push ups in the bathroom or bedroom, claim that you were looking for your earring that you had just dropped.

Yes, I used to have an earring.

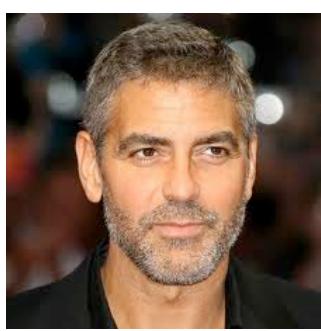

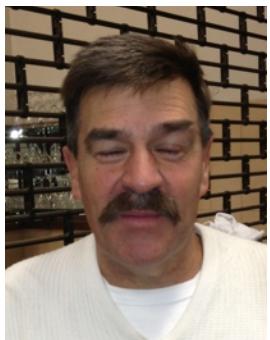

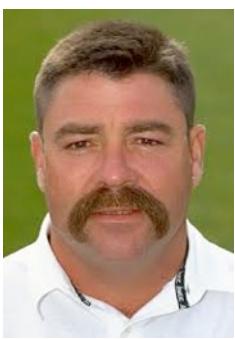

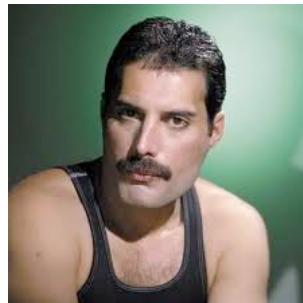

HEMOGEX POWERFUL GROWTH HORMONE & IGF-1 INDUCER

HEMOGEX® keeps GH and IGF-1 blood levels elevated long after injectable pharmaceutical synthetic Growth Hormone has quit working. The scientific Polylipid breakthrough delivers D-ALA-D-BETA -NAL-ALA-TRP-D-PHE-LYS-NH2 (Z-11) into the bloodstream completely intact, bypassing the destructive effects of the liver and heads straight to the anterior pituitary to induce massive amounts of Growth Hormone, which is then converted into potent levels of IGF-1

250 Seconds With Cougar

Cougar: Your Last game was in season 2010/11. What's happened and Where have you been?

Vegas: I've finally finished my MBA and have been working for some big business. Million \$\$\$ Deals

Cougar: There were rumors you may have been working or had a connection with correctional services Tasmania

Vegas: Cougar!, An out of court settlement means I cannot comment.

Cougar: OK, moving along then. When will we see the famous reverse swing back in action.

Vegas: My new work commitments may limit me playing this year, hopefully they settle down and I can play in the new year.

Cougar: Who has been your greatest influence at the club

Vegas: I'd have to say Mark Butler. His pre-game rev ups and skewed house keeping wrap ups are simply the best.

Cougar: Do you regret bowling those bouncers to Theo

Vegas: I'm a really gentle, loving sort of guy and never meant too. Things could've got out of hand

Cougar: Tell us something we don't already know about you.

Vegas: I was in the last 25 for The Apprentice Australia 2009.

Cougar: What is your preferred method of transport? Aircraft, Cars, Buses, Trains, Buses, Bikes, Horses or Buses?

Vegas: I'd have to say Buses, you just never know what you might hold on to going around corners.

Cougar: When is the best time to hit the RETRO dance floor?

Vegas: Well before Zoran and the Cougar. (I prefer 2am to 3am)

Cougar: One Word to describe you

Vegas: Management

Cougar: Who would you be for a day

Vegas: Donald Trump. Money money money moneyyyy!!!
