

TEAM SELECTION POLICY – SENIOR GRADES

Our commitment

Our club supports an open and fair process for the selection of teams. Selection will be based on clear criteria that are communicated with all players prior to the season commencing.

What we will do

Criteria

Selection decisions will be based mainly on performance, however they will also consider:

- attendance at competition, training and club / team events (commitment)
- good sportsmanship (values)
- abiding by our club's Code of Behaviour on and off the field (behaviour)
- team balance (competitiveness).

In addition, players:

- must be financial members of the club
- will be selected on their performance, commitment, values and behaviour, not their personal characteristics or attributes (e.g. race, sexuality, religion)
- may be precluded from selection if there is a concern about their ability to compete safely or if their participation poses a risk to others.

Process

- Player selection will be communicated verbally at the completion of the team selection process and through a variety of club notice board and nominated social media forums
- Chairman of Selectors will be appointed by the Committee, the Selection Committee will consist of the Chairman of Selectors, team Captains for the teams being selected and will be responsible for the Selection process
- As requested, or as necessary, players will be provided with reasons for non-selection and areas to improve in order to be considered for selection.
- Chairman of Selectors will be responsible for all decisions about team selection once the season commences.
- Selection criteria will be reiterated during the season so that players are clear about the how teams competing in the finals will be chosen.

- Concerns about team selection should be discussed with the Chairman of Selectors in the first instance. A formal written complaint to the club committee should be made if these concerns cannot be resolved and the player believes s/he has not been treated in accordance with the selection policy.
